The driving range construction is proceeding as planned. In late summer, #10 and #11 will play as par 3's. Part of practice putting green will be used for new #18 green. A 60 foot tent will be placed on existing #10 tee which will shorten that hole by a few yards.

Premier Golf has set up a Call Center daily from 7am thru 7pm. A "live" person will answer. For your men's club or other issues, the Call Center will transfer you to pro shop for immediate assistance.

Tee it forward program:

Green tee markers are in place for 18 hole course. Players now can play many different tees to fit their level of play. Green tee yardages are on the new scorecard.
