Single match results are highlighted in the Record column. Points for individuals: Wins / (losses) and ties on the first three days count as .5 and .25, respectively, since the points are shared with a playing partner; on the last day wins / (losses) and ties are the full 1 and .5 points because they are not shared. For example, Heim won three team matches, 1.5 points, and a single match, 1 point: total 2.5 points. A team tie counts as a .25 win and .25 loss for an individual; a single tie counts as .5 win and a .5 loss. Thus Hart won .5 points (a single tie (.5)) and lost 1 point (one team loss and a single tie (.5 + .5)): total .5 points. There are 30 points being contested by each team. Rookies names in blue.
